Weddings

Yager-Hodges.

A wedding of unusual interest was celebrated with a pretty home ceremony on Monday evening when Miss Elizabeth Yager, daughter of Mr. and Mrs. Yager, of Birmingham, Ala., was united in marriage to Mr. George Victor Hodges, of Birmingham, Ala.

The home of Mr. and Mrs. Yager on Somerville street, was artistically decorated with pink, carnations and white flowers. The place of ceremony being specially marked by an arch of greenery and pink and white blossoms.

The wedding music was rendered by Miss Elizabeth Walters, who played Mendelssohn's wedding march at the processional, and during the ceremony softly played "Träumerei."

Only a few intimate friends were privileged to witness the ceremony, which took place at 8 o'clock, the Rev. A. L. Boone, pastor of the First Baptist church, officiating.

For the ceremony the bride wore apricot crepe de chine embroidered in white silk designs and crystal beads, and carried a shower bouquet of pink roses, orchids and valley lilies.

Miss Ruth Fern Yager, sister of the bride, who was her maid of honor, was gowned in blue crepe de chine draped in georgette crepe of the same shade, and carried a shower bouquet of pink carnations and white lilies.

Mr. Hodges was attended by the bride's brother, Mr. Walter Kitzmiller Yager, who served as best man.

The ceremony was followed by a reception, during which the guests were made cordially welcome by Mr. and Mrs. Yager, both of whom were in uniform.

A delicious wedding menu was served in the dining room, where the table was draped with a handsome cut work cover over embroidered linen, and in the center was the beautiful wedding cake, which was cut by the bride and groom.

Mr. and Mrs. Hodges left on Tuesday evening for Birmingham, where they will be at home for the present at 420 First avenue.

The bride, who was educated abroad and is an unusually charming girl, is herself an officer in the Salvation Army. She has a very wide circle of friends in Memphis, who will regret her departure to make her home elsewhere.

Mr. Hodges is auditor for the Florence hotel in Birmingham, where he has a host of friends, who will give a cordial welcome to his bride.

CLUBDOM

ELIZABETH CLUB HOLDS ENTHUSIASTIC MEETING

The members of the Elizabeth club held an enthusiastic meeting on Tuesday. Mrs. Hugh Hayley presiding.

The members were particularly delighted with the program being made for the day annex, the foundation having been finished and the framework begun. When this is completed the members will be able to start for it instead of 22 girls.

It is expected that the annex will be ready for occupancy in May and the members are eagerly looking forward to that time, as they have a long waiting list of girls who are anxious to make their home at the club. Several of the girls have had raises in salary but have not been able to find any place else to live as they are still at the club, though the members have a rule that only girls who make a salary of \$10 or less a week are eligible.

The names of 24 new members were presented at the meeting yesterday, showing the increasing interest in the work of the club.

Miss Lucy Jones made the club a very generous gift, having had one of the rooms of the first floor redecorated for use as a library and it is there that the members will place the 600 volumes recently given to the club by Mr. Jules Bauer, who also included the bookcases in his gift.

Mr. J. P. Hill's report showed that health conditions among the girls are greatly improved with the wholesome life at the club and the treatment which is given free of charge by Memphis physicians.

KING'S DAUGHTERS CIRCLE HONORS LATE CHAPLAIN

A committee from the King's Name circle of the King's Daughters with Mrs. R. G. Walker as chairman, met on Tuesday and drafted resolutions in honor of the memory of the Rev. Dr. Walter D. Buckner, who was chaplain of the circle. The resolutions have been adopted as follows:

"Members of the King's Name circle of the King's Daughters were greatly shocked and grieved to hear of the death of our beloved chaplain, Dr. Walter D. Buckner. They feel that they have sustained a great loss as they depended so much upon his advice and cooperation. He was always so active and interested in all their work and led them with his enthusiasm. In their families he was beloved and cherished and was always with them in their sorrows and joys."

"He resolved that this circle has lost a great power for good, and he further resolved that to the loved ones of Dr. Buckner be conveyed the most profound sympathy in this time of sorrow and that these resolutions be published in the Silver Cross and spread upon the minutes of the circle in order that the memory and influence of his life may be preserved."

RESOLUTIONS ADOPTED IN MEMORY OF DR. BUCKNER
The following resolutions have been adopted by Adam Dale chapter, D. A. R.:

"Adam Dale chapter, D. A. R. sincerely mourns with all who revered and loved the Rev. Dr. W. D. Buckner. In his death the chapter has lost the guiding hand of their beloved chaplain as an organization, and as individuals we strive to say: 'It was best for him to go, he has missed so much of work, so much of pain and worry. His barque has landed at the Port of Peace on the River of Eternity after a life of consecration to God and man.'"

To the Citizens of Shelby County

Let's Make the Tennessee the Happiest, Most Home-like Ship in the American Navy.

This Is the Week for the Battleship Tennessee Testimonial—a Gift in Perpetuity.

To All Citizens of Shelby County:

Greetings:

Wasn't it Admiral Farragut who said a happy ship was an efficient ship?

It is a time-honored and handsome custom, observed without breach or exception, upon the launching of a battleship, for the citizens of the state in whose honor the boat is named, to present some gift or token adequate to the occasion.

Wherefore, O Tennesseans, the governor of this state, relying upon your esprit de corps, has by proclamation set aside this week of February 2-8, for the assembling of funds for the purpose set forth.

With Red Bolshevism stalking rampant from shore to shore, it is fitting that we should take thought for the morale and well being of those who, when the crisis comes, are on the spot to defend our peace and honor.

More than this, it is essentially becoming that we who daily enjoy the comforts and associations of home life, should do everything possible to bring those comforts and associations, albeit in vicarious fashion, to those boys, Tennesseans all, who are to man the big new superdreadnought; those boys whose lives will be spent in absence from home, far away on the billows.

Your contribution, with others, will be gathered together and invested in Tennessee bonds—this at the suggestion of the navy department, through Capt. R. H. Leigh, who is to command the new Tennessee.

The income from this fund, a gift in splendid perpetuity—will be devoted to the maintenance of the morale and for the entertainment and instruction of the crew; for prizes to the best athletic crew; for awards to those who achieve appointments to the Naval Academy; for marks of merit to the best gun crew; as a distinction to the division whose land leave is the most orderly; for provision of motion pictures; for the supply of home papers; for a lot of things that would appeal to you were you one of the jackies aboard, away from home and friends.

So this is no time to avoid giving. Tennessee has been first in a legion of good things; but it has no desire to be first to break this beautiful custom, consecrated by long years of observance. Let a generous contribution be forthcoming. Don't make a personal solicitation necessary.

WALTER CHANDLER,
Chairman Shelby County.

MRS. JNO. FLAUTT,
Chairman Woman's Division for Shelby County.
